Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Chair Forese and Commissioners,

I know you are busy just as I and fellow small business owners are. I would like to thank you for taking the time to read my letter. I am writing in response to the APS rate case. I feel that APS has not made it clear as to why they need to increase their rates. Without a justifiable cause I cannot ask you to not support this rate increase or an increase to the monthly service charge.

Small business owners help to maintain local economies. We hire, provide a service, and typically spend our money in our local area. This keeps our cities and neighborhoods strong. The increase that APS is seeking would take money away from small local economies which will only hurt our area.

Please, again, vote no on these unfair utility charges.

Thank you,

Arizona Corporation Commission
